

Celebrate National Science Week! Science in the Park 2019 Sunday 11th August

FREE science activities for all
ages at Coolart Wetlands and
Homestead in Somers.

JOIN US for a day of science presentations,
eco-tours, science displays and hands-
on activities, and wildlife monitoring in
wetland environments.

Meet NASA Scientist Dr
Darlene Lim to learn about
life in extreme Earth
habitats and beyond!

DON'T MISS the art-science exhibition
"MISSION CONTROL: An art exhibition
inspired by the Apollo 11 Moon Landing
and the Space Beyond" to celebrate the
50th Anniversary of the Lunar Landing.
